Final Inspection Request and Notice

Pursuant to the requirements within ORS 454.665, OAR 340-071-0170 and OAR 340-071-0175, the system installer and/or the permittee must notify the Department of Environmental Quality or (its authorized Agent) when the construction, alteration or repair of a system for which a permit was issued is completed (except for backfilling or covering of the installation on request). The Department (or Agent) has 7 days to perform an inspection of the completed construction after the official notice date, unless the Department (or Agent) elects to waive the inspection and authorizes the system to be backfilled earlier. Receipt and acceptance of this completed form by the Department (or Agent) establishes the official notice date of your request for the pre-cover inspection. Please complete all 4 sections of the form and return it to the office that issued the permit. Forms that are determined to be incomplete will
